Discussion

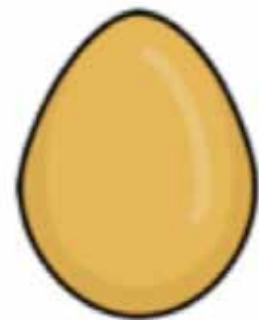

Jake was always inventing things like his cloud skis. The ogre in this play has a magic hen that lays golden eggs.

Imagine that some of the things in your house are magic.

Tell us all about them. For example:

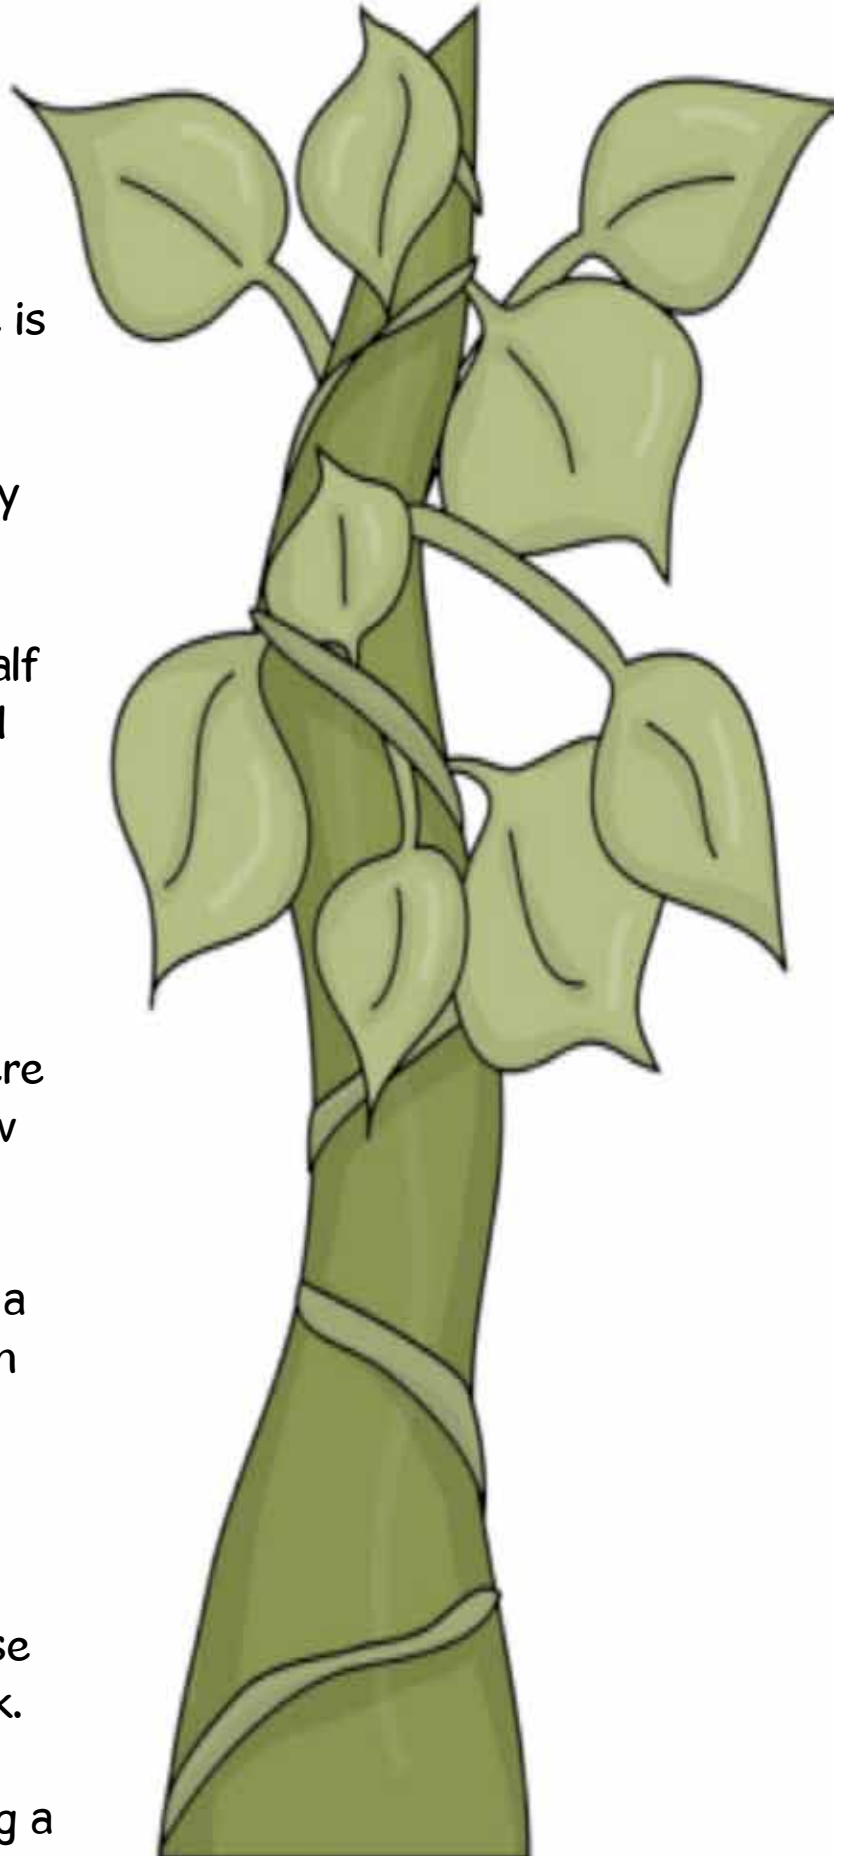

- My slippers - when I wear my magic slippers I can jump as high as the roof of my house.
- My school bag - if my school bag is heavy it grows wings and can fly to school.

Growing your bean

Instructions:

- Make sure your name is on the pot.
- Fill the pot up half way with soil.
- Put the seed about half way down into the soil and cover it.
- Put a small drop of water in the pot.
- Put the pot somewhere warm and sunny. A window sill is a good place.
- Check the bean once a day and only water it when the soil is very dry (touch the soil to be sure).
- As the bean grows it will need some support. Use a stick to hold up the stalk. Tie the beanstalk and the stick together loosely using a piece of string.

JAKE'S SONG

I want to reach the clouds
And explore some other grounds,
I want to go very high!
I long for an adventure,
Find an amazing treasure,
I want to go very high!

High-up! I want to go high-up.
High-up! I want to go high-up.
High-up! I want to go high-up.
Up!
I want to go very high!

High-up! I want to go high-up.
High-up! I want to go high-up.
High-up! I want to go high-up.
Up!
I want to go very high!
